## Telework and the disabled

Telework can be a great way to 'get to work' for people with temporary or permanent disabilities. These resources and links lead you to sites that deal with telework and the disabled. Most of them are supportive of telework as a highly successful tool.

- ▶ [European Commission invests 1 million Euro in telework project aimed at creating and providing new solutions for disabled people](#)
- ▶ [President Clinton directs all agencies to consider telecommuting for disabled employees](#)
- ▶ [The Canadian Centre on Disability Studies is seeking participants for a study of persons with disabilities who do some or all of their paid employment at home](#)
- ▶ [The Green Commuter](#) Telecommuting for people with disabilities. Also, health impacts of telecommuting; taxes; US federal gov't update; employee selection; personality issues; the bottom line; the human perspective; and telecommuting in Winter Wonderland
- ▶ [Enabling or further disabling? Telecommuting and flexible work options may be the only way for the disabled to work](#)
- ▶ [Telecommuting guidebook for persons with disabilities](#)
- ▶ [Job Accommodation Network](#): (a list of links to other sites)
- ▶ [Gateway to Diversity](#) Ontario Canadian government site)
- ▶ [Acceptance by the disabled varies](#)
- ▶ [University of Minnesota Disability Services](#): Great links
- ▶ [Oregon Office of Energy's Telecommuting for people with disabilities](#)
- ▶ [Midwest Institute for Telecommuting Education \(MITE\)](#): Great resources for telework for persons with disabilities
- ▶ [Abilities On-Line](#): The Able Trust/Florida Governor's Alliance for the Employment of Disabled Citizens
- ▶ [Enablelink - Linking people with disabilities to resources](#)
- ▶ [Independent Living Center Group](#): (Part of The Institute for Rehabilitation and Research in Houston)
- ▶ [National Clearinghouse of Rehabilitation Training Materials](#)
- ▶ [Telework, the ultimate reasonable accommodation](#)
- ▶ [Telecommuting Safety & Health Benefits Institute](#): Dedicated to safety and health benefits of telecommuting
